Footnotes:

1- Estimates exclude persons residing in collective dwellings.

2- Note that for estimates for 2006 to 2011, the population of First Nations, Registered or Treaty Indians living on reserve includes only individuals living on legal reserves. Individuals living in northern communities in the Northwest Territories and Yukon, which were included in the definition of the on-reserve population established by Indian and Northern Affairs Canada (INAC), were excluded. Beginning with the 2011 National Household Survey, this definition was modified so as to
